# Plan ahead to get ahead

Many have achieved peace of mind by registering for the event and booking their travel in advance, like these mortgage professionals.

## **Bob Catlin, president of Signature Mortgage Corporation:**

"We've been using the Ellie Mae® products for years. However, I don't think we fully utilize the software. We're going to get a better understanding of what's available to us and **to learn what similar companies are doing**. Besides, it's Las Vegas. How great can that be?"

## **Bruce Calabrese, president of Equitable Mortgage Corporation:**

"Our company is in the process of upgrading from broker to banker version. We've made a big investment in Ellie Mae and **we want to learn more about Ellie Mae and our new software**. We want to see what Ellie Mae can do."

## **Steven McCormick, president of First Centennial Mortgage Corporation:**

"We're looking forward to having candid conversations with those who use the system on a day-to-day basis. We expect **to learn a tremendous amount** that we couldn't learn by using the system on our own."
